State Department Receives Formal Complaint Against the Confiscation of an American Cargo on Board the Hamburg-American Steamer Arabia.

England's Demand Already Ordered Made for Reparation for Sinking the Knight Commander, with a Threat that Other Measures May Follow.

WASHINGTON, July 27.—The State Department has finally received a formal protest against the action of the Russian navy in seizing. American goods, and as the result of its preliminary study of the law and precedents governing the subject it is prepared to act energetically and

This protest relates to the ceizure of an American cargo on board the Hamburg-American steamer Araoa, bound from Portland, Ore., for Hongkong, China.

J. H. Mitchell, an attorney of Portland, telegraphed the State Depart ment a statement of the conditions under which the Arabia carried out thi cargo. Mr. Mitchell stated that he represented the Portland Milling Com a pany, which had shipped on the Arabia for Hongkong 99,000 sacks o flour, worth about \$100,000. He declared that this flour was in no sens contraband, for it was not destined for Japan, and it was part of the normal trade of the company, and was not a war order. Mr. Mitchell re quested the State Department to take the necessary steps to secure indemnity and satisfaction for the owners of the flour, and also to protect legitimate neutral trade.

Maxwell Everts and D. A. Chambers two attorneys, came to the State Department to-day in connection with the same seigure, and Acting Secretary Ades immediately referred them to the solicitor of the department, who also has before him the protest of the Portland Milling Company.

After Another Plunge on the Races To-Day Alleged Get-Rich-Quick Man Gives Up Fight Against Arrest.

WILL START TO-MORROW TO FACE ST. LOUIS JURY

Prosecutor Folk Had Refused to Allow Him Freedom on Parole -Application for Habeas Corpus Writ Is Withdrawn.

After dickering all day with the S some deal by which he could remain in this city until Monday, John J. Ryan, the plunger, and alleged get-rich-quick man, decided late this afternoon to waive his rights to extradition proceedings and go voluntarily to St. Louis for trial.

Early in the day Ryan's lawyer, ex-Judge Nolan, of St. Louis, served notice on Assistant Circuit Attorney Fickhelsen, of St. Louis, that unless Ryan was allowed to remain until after his sale of horses to-morrow and given until Monday to clean up his affairs he would fight extradition and apply for a writ of habeas corpus, Mr. Fickheisen closec a deal with Ryan by which the latter should go on parole until Monday and then voluntarily accompany him and Detective Killian to St. Louis.

This arrangement was made known to Circuit Attorney Folk, at St. Louis. over the long-distance telephone. He disapproved of it and said Ryan must be brought back without delay and that no terms were to be made with him. When this was told to Ryan he got writ of habeas corpus from Justice Fitzgerald, returnable to-morrow. He applied for ball in the mean time. Assistant District-Attorney Johnstone said that ball could not be given in a case of this kind save at St. Louis and Justice Fitzgerald remanded Ryan to Po-Louis to-morrow morning. A message was sent to Justice Fitzgerald notifying him that the babeas corpus pro ceedings and the application for ball had been abandoned.

It was reported that Ryan had sent \$5,000 to the race track to-day to play liceman, detective and court hanger-on advised his lawyers and everybody he came in contact with to play the horse.

ESOPUS, July 27.—The visit of the Nationa! Committee, Charles F. Murphy, David B. Hill and other distinguished leaders to Judge Parker to-day developed into a love feast. Hereafter Judge Parker must be known as the Great Pacificator. He succeeded in patching up differences of long standing, if appearances count, and should the Democracy of New York prove to be united Judge Parker may take unto himself the

credit for the condition. Through the efforts of Judge Parker, David B. Hill shook hands on the plazza at Rosemount with two of his bitterest foes-Charles F. Murphy, of New York, and Thomas F. Conway, of Plattaburg. It is true that the band chaking was not vigorous enough to jar any grass off the lawn, but it was sufficiently hearty to give the impression that the function marked a burial
